

CHARLTON PARK ESTATE RIDING PERMIT SCHEME

RIDING PERMIT TERMS & CONDITIONS AND APPLICATION FORM

To promote equestrianism and equestrian access for riders on the Charlton Park Estate a riding permit with mapped routes has been created. Approximately 20km of off-road riding routes have been made available by Charlton Park Estate to support local riders and provide access for those who do not have hacking available. To support this scheme the Estate will provide permits to those who apply and agree to the below Terms and Conditions. An annual permit is £120 and lasts from the date of issue to the 31st December of that year. Half-year passes may be offered at the discretion of the estate office.

These routes will change from summer to winter to accommodate riders and other estate activities and needs. Routes may be closed or amended without prior notice but where possible changes will be communicated in advance to permit holders.

RIDING PERMIT TERMS AND CONDITIONS

Your permit is personal to you, the named rider and is not transferable (i.e., you cannot buy one pass for your yard, and you all take turns to use it).

You must have a permit for each horse if you are bringing multiple horses to the estate to be ridden at the same time and you may have up to three authorised riders who may ride your horses.

Riders are strongly encouraged to download the mapping app 'what3words' on their mobile phone. This will enable you to share your location accurate to 3 metres with emergency services including the air ambulance.

Riders using our permitted routes do so at their own risk and must verify that they are fully covered against third party risks through their own Public Liability Insurance policy.

We reserve the right to terminate the Riding Permit of any rider who has acted against the best interests of other riders or the work of our estate.

Riders are asked to carry their Riding Permit when riding around the estate and to show it to any member of the estate staff or to any other authorised rider who might ask to see it.

This Riding Permit is valid from the date of issue until 31st December of that year, subject to reasonable ground conditions on the routes provided marked on the map

The estate reserves the right to suspend permits for breach of these regulations Please note that some tracks are rough terrain and can be crossed by drainage ditches. These tracks can be slippery when wet, please take care and adjust your speed accordingly. You may not ride across stubble, ploughed or grasslands, on footpaths or any unmarked narrow tracks or on tracks and roads leading to private properties

Help protect the estate by varying routes, by avoiding wet and badly eroded areas, by keeping to the permitted seasonal routes
