

CHARLTON PARK ESTATE RIDING PERMIT SCHEME

To promote equestrianism and equestrian access for riders on the Charlton Park Estate a riding permit with mapped routes has been created. Approximately 20km of off-road riding routes have been made available by Charlton Park Estate to support local riders and provide access for those who do not have hacking available. To support this scheme the Estate will provide permits to those who apply and agree to the below Terms and Conditions. An annual permit is £120 and lasts from the date of issue to the 31st December of that year. Half-year passes may be offered at the discretion of the estate office.

These routes will change from summer to winter to accommodate riders and other estate activities and needs. Routes may be closed or amended without prior notice but where possible changes will be communicated in advance to permit holders.

RIDING PERMIT TERMS AND CONDITIONS

- The permit is personal to you - the named rider. It is non-transferable (i.e. you cannot buy one pass for your yard, and riders take turns to use it).
- You must have a permit for each horse if you are bringing multiple horses to the Estate to be ridden at the same time. You may have up to three authorised riders who can ride your horses.
- In case of emergency - riders are strongly advised to download the mapping app 'what3words' on their mobile phone. This will enable them to share their location accurately to within 3 metres square to all emergency services including the air ambulance.
- This Riding Permit is valid from the date of issue until 31st December of that year.
- Riders must carry their Riding Permit when riding on the Estate and be prepared to show it to any member of the Estate staff or to any other authorised rider or person who requests to see it.
- Some routes are rough terrain and can be crossed by drainage ditches. These tracks can be slippery. Please take care and adjust your speed accordingly. Permit holders are not permitted to ride across stubble, ploughed or grasslands, on footpaths or any unmarked narrow tracks or on tracks and roads leading to private properties. Please vary your routes around the Estate and avoid any wet or badly eroded areas.
