

Frequently Asked Questions

Can I visit the house?

Charlton Park House is a privately owned residential property and is not open to the public, however its wonderful facades can be enjoyed as a backdrop from the parkland when attending events.

Can I walk in the park and arboretum?

The grounds surrounding the mansion house are not open to the public, whilst we place host to a number of events and activities that are able to enjoy the Parkland and Estate

Is there a shop and a tearoom?

We have a number of business based on the Estate but we do not have an Estate visitors shop or tearoom.

Do you have accommodation onsite?

We don't offer any accommodation onsite for privately arranged events, but many events offer their own clamping options. It is advised to check with the event organisers directly.

Can I walk my dog up from the village to look at the sheep?

The Estate is not open to the public other than public footpaths and bridle/byways, and we do ask that dogs are kept on leads when near livestock for everyones safety.

Can I have a wedding/party or corporate event on the Estate?

Yes, we would love to host your event. We have a number of hire locations possible for a variety of events, festival style parties and activities. Contact the Estate office for more information.

I have a question about my ticket to an upcoming event at Charlton Park who do I speak to?

We advise that if you have any questions about an event you are due to attend or have just been to that you contact the event organisers directly.
